

A1.7		View Employee Availability		Priority	High
				Effort	5
As an	admin				
I want	to be able to view all my employees' availability				
So that	I can organise their work schedule can be easy and fair				
Acceptance Criteria	AC1: Given that an admin has logged in to the system and the employee exist When the admin clicks "Employees" tab Then the system displays all the employees' availability along with their name and id.
